Our beautiful mountain homes are mostly known for climbing rocks, but sometimes we are just as content to pour a smooth bourbon over rocks. These are our favorite places to go to relax and enjoy smooth spirits, tasty ciders, and specialty cocktails. Take in an epic mountain view, catch up with your friends, and be sure to bring your dog.

# Craft Beverage Trail

**STILL HOLLOW SPIRITS** is a farm to bottle distillery specializing in traditional mountain-style whiskeys and unique botanical infusions.

**SWILLED DOG** is a female-led and dog-centered craft beverage company crafting award-winning hard cider and small batch whiskeys and bourbons.

**DRY RUN SPIRITS** is the smallest and most traditional distillery in all of Pendleton County. They are a veteran-owned company who are distilling 100% American, small batch, traditional Appalachian apple jack and maple moonshine.

**BIG FISH CIDER CO.** is a micro cidery that produces award-winning, high quality ciders using heritage apples that feature the bright acidity and depth of flavor that comes from being naturally grown in the mountains of Highland County, Virginia.
